

Maureen's Advanced Designations

REALTOR® Member of National, Arizona & Tucson Associations of REALTORS®

Choosing your agent could be the most crucial element of the home buying and selling experience. This is where it is important to realize the difference between a real estate agent and a REALTOR®. While an agent is simply licensed by their state to do business, a REALTOR® has taken the additional steps to become a member of the local board of REALTORS® and has agreed to act under and adhere to a strict Code of Ethics. This membership obligates them to be fair to all parties involved in a transaction.

Accredited Buyer's Representative

A real estate buyer's representative represents the buyer (*not the seller*) who is purchasing property in a real estate transaction. Research by the National Association of Realtors® has shown that when a buyer's representative is used, the prospective buyer found a home one week faster and examined three more properties than consumers who did not use a buyer's representative.

As an ABR Maureen works for, and owes fiduciary responsibilities to, the real estate buyer and has buyer's best interests in mind throughout the entire real estate process.

Certified Residential Specialists

Maureen is among only 2% of all Realtors and REALTOR-ASSOCIATES that have earned the right to be called a CRS. Only 2% have developed special residential sales skills and enhanced their residential sales knowledge through study, dedication and experiences.

Each CRS must have a history of successful sales performance documented by at least 75 closed transactions and at least 5 years in the business.

Graduate REALTOR® Institute

The Graduate REALTOR® Institute (GRI) symbol is the mark of a real estate professional who has made the commitment to provide a high level of professional services by securing a strong educational foundation. REALTORS® with the GRI designation are highly trained in many areas of real estate to better serve and protect their clients.

ePro® Certified

e-PRO® is the only certification program of its kind recognized nationwide and endorsed by the National Association of REALTORS®. Clients can have confidence that e-PRO® graduates are savvy about the Internet and that they take the Internet empowered consumer seriously and can meet their online needs.
