I have spent all but two years of my career working in Residential Real Estate, either as a Realtor or Mortgage Loan Officer. My journey started back in the Midwest in my home State of South Dakota. After college I worked for an Accounting and Tax Service firm for two years.

After that, along with some partners, we started a Real Estate Brokerage Company. In addition to real estate sales, my responsibilities included arranging financing and insuring on-time closings company-wide. I was also responsible for our accounting function. After seven years, I was ready for a new challenge. Looking for a new opportunity, I moved to Minneapolis and there I began my twenty-three year career as a Mortgage Loan Officer. I continued working in the mortgage business, after we relocated to Arizona, until 2007, when I returned to real estate sales.

What I love about real estate is the opportunity to meet new people and build long-lasting relationships. I have been involved in literally thousands of real estate transactions over the past thirty plus years. I bring to the table a wealth of knowledge in the area of real estate finance and contract negotiations. My goal in every transaction is to help you get through the transaction with the least amount of disruption to your daily life.

My Team includes my Loan Officer, Jennifer Shevin, a twenty-five year veteran in the mortgage lending business, My Manager, Jim Vernon, ASHI Certified Home Inspectors, and experienced Certified Escrow Officers. We all understand the need to provide consistent, quality customer service.
