Dear Valued Client,

This directory has grown out of my mission to exceed your expectations as your Real Estate Consultant and to provide you with the best possible 'GREEN' service providers. This directory is a labor of love, and I sincerely hope that you find it valuable.

Each person in this directory has been tested by me or many others. They are all people that I can put my name to the day we went to print. No one is paid to be in this book.

As this directory is only as current as the day it went to print, please note that the VERY LATEST information can be found at:

[www.knabours.longrealty.com](http://www.knabours.longrealty.com)

My on-line referral directory is updated often. And, please know, I welcome your phone calls with questions and comments about each of these fine folks. YOUR FEEDBACK helps me continue to make this THE BEST IN THE BUSINESS GREEN REFERRAL DIRECTORY.

Thank you so much for your continued support of my real estate business. Working solely 'by referral,' I depend on your referrals. When you hear of good folks that have buying or selling needs, please call me with their name and number, and I promise to give them A+ service!
